Dear Mr Craddock

Thank you for your letter of the 22nd June to Councillor Frost, in her capacity as Chair of the Conservators. Your letter has been passed to me for response.

As you will appreciate the matter of parking has been the subject of several reports to the Conservators, lengthy discussions at the Conservators meetings as well as a consultation exercise. The Conservators have now made a decision to grant conditional consent for one year. This should allow parties to consider how matters progress and operate in practice. As stated at the meeting a report will be bought back to Conservators on the operation of the conditional consent.

Kind regards

Mrs Amardip Healy

Dear Liz

I attended the meeting of the conservators on Monday, and read with interest the report to the board on parking in front of the Derby Arms.

I attach a letter which explains our concerns. I would be grateful if you would consider our comments and let me have a reply in due course. I quite understand that you will wish to discuss with officers.

regards

Hugh
